ABOUT THE EVENT

The Cybersecurity Summit will take place on **Wednesday 11th of March 2020** and will play host to some of the industry's most innovative and forward-thinking cybersecurity professionals.

This isn't just another event, conference or corporate gig, our mission is to make the summit unique, refreshing and inspiring for all.

The day will be packed full of insightful, educational and inspiring talks and workshops, educating all those who attend into the seriousness of cybersecurity.

Attendees will leave the summit with notepads full of ideas that they can apply the minute they get back to the office, maximising product engagement for all our sponsors/partners/vendors.

With 150+ like-minded professionals and cybersecurity experts alike, you'll be rubbing shoulders with some of the most inspiring and influential people in the North East, the perfect opportunity to discuss all things cybersecurity with potential prospects.

ABOUT THE VENUE

The Cybersecurity Summit will take place on the banks of the infamous and world-renowned river Tyne, inside the Baltic Centre for Contemporary Art, Gateshead.

Baltic Centre for Contemporary Art, S Shore Rd, Gateshead, NE8 3BA

CONTACT US

If you have any questions about the event, venue or sponsorship packages, please don't hesitate to get in touch where we will be happy to assist.
